Welcome Message & Invitation to Our Coffee & Cake Morning

Dear Parents and Carers,

It is with great pleasure that we write to you as the new Executive Leaders of North Ridge Community School. We are delighted to have been given the opportunity to work at such a fantastic place with amazing children and young people.

Together, we have spent our entire teaching career working in a variety of special schools and have a wealth of experience working with children with special needs. We have an understanding of the challenges your child faces but believe that nothing should stop them achieving their goals and exceeding all expectations set of them.

We feel that this stage in the schools journey is an important one, and believe that we can bring about positive changes quickly for the good of our whole school community. There are a number of things that we need to do as a school to get to this point and these include;

- Improving communication with our whole school community with a strong focus on pupil communication in the first instance.
- Providing your child with more good and outstanding teaching using safe, fun and innovative approaches.
- Rewarding and celebrating the successes of your child on a daily basis and;
- Involving parents and carers and pupils in shaping the vision of the school for the future.

At North Ridge we will continue to place your child at the centre of everything we do and every decision we make will have their best interests at heart.

We would like to take this opportunity to invite you and your family to attend a coffee and cake morning at school on **Wednesday 10th October at 9.45am until 11.15am**. It will be a chance to meet with us and members of the senior leadership team. We will share with you our thoughts and ideas but more importantly we would like to hear yours. This will help us to shape the future of the school together.

PTO

If you would like to attend could you please return the slip, at the bottom of this letter, to school? If you have any questions about this or anything else please feel free to contact either of us at school or just pop in for a chat.

We look forward to leading the school in the next exciting phase of its journey and we know that by working closely with you and your family we will be able to provide the opportunities, learning and enrichment that your child deserves.

Yours faithfully,

Karl O'Reilly & Lisa Suter
