

# Co-producing Doncaster's All Age Learning Disability and Autism Strategy

## What are these events about?

Doncaster Council and Doncaster Clinical Commissioning Group want to work with:

- People with learning disabilities
- People with autism
- People with a learning disability and autism
- Carers
- Members of staff and providers

to co-produce an All Age Learning Disability and Autism Strategy (plan) for Doncaster. Co-production is about services and local people working together to design and deliver services and support.

## Why are we holding these events?

Doncaster Council and Doncaster Clinical Commissioning Group want to make sure that people with learning disabilities, autism or both in Doncaster will:

- Have a range of housing options, education and employment opportunities.

- Have choice in what to do during the day.
- Have the right to choose and be in control of their daily life.
- Live healthy lives.

## When are the events happening?

The engagement sessions will happen between the end of November and December. We would like people to come and tell us what they think should be in the plan.

A full list of engagement sessions is at the back of this flyer.

**To book your place please contact:  
Sally or Hayley from Speakup:**

**Telephone:** 07784 812668

**Email:** [Sally@speakup.org.uk](mailto:Sally@speakup.org.uk)

**There are only a few places for each event so  
you must book your place.**
