Message from Class teacher

Hello Neptune Class,

I hope that you are all ok? I have set some learning for you to do at home.

This week all your activities are based around the special theme of CAPTAIN TOM MOORE.

This gentleman has been in the news in this country and around the world - I want you to find out why?

You can complete all the tasks or just pick and choose the ones that you like best.

Remember to do something to make someone in your house smile every day. This could be making your bed or sharing a treat.

Take care and stay safe.

Love from Jo
