

Weekly activities

Week Commencing 29 June 2020

English and Communication

Information writing

1. Complete a mind map about you (All About Me) – see my video.
2. What are your likes and dislikes?
3. What are your aspirations? What would you like to do?
4. What would you like to do in school next year?
5. When you have completed your mind map post it to me at school.

North Ridge Community School

Tenter Balk Lane

Adwick le Street

Doncaster

DN6 7EF

Physical Education

Dance

Just Dance songs on YouTube – I love Queen songs so I would dance to them but it is 'All About You' so you choose.

PE Outdoors

Go for a walk – Minnie and I love going for walks. While you are on your walk – look for 'Tracks and Signs' of different wildlife.

PE with James

Neptune Class

Message from Class teacher

Hello Neptune Class,

How are you? Did you enjoy the sunshine last week?

This week, we are thinking about coming back to school in September, so I thought we could do some work 'All About Me.'

Tell me what you like and dislike. What's important to you?

As always, you can complete all the tasks or just pick and choose the ones that you like best.

Have lots of fun!

Take care.

Love from Jo

Interactive Video Activity

Watch **Deadly 60 Season 2 episode 22 – Tracks and Signs on BBC iPlayer.**

Steve Backshall shows you how to find different wildlife in your local area.

Life skills

Relaxation

Relaxation is really important.

I find colouring pictures relaxing.

These are some of my favourite pictures – can you create art work like these?

Maths

Geometry – Patterns and Puzzles

EHCP – Sharing and Taking Turns

I love jigsaws and games:

Tasks

- Complete a jigsaw on your own.
- Ask an adult to help you complete a jigsaw with more pieces.
- Make your own jigsaw using a picture and cutting it into pieces.
- Play a game of bingo or snakes and ladders.
- Play dominoes or matching pairs.

HAVE FUN!!
