

Weekly activities

Week Commencing 13 July 2020

English and Communication

Information writing

1. Watch my Quiz: Animals.
2. Can you name and identify all the different animals?
3. What do you call a male and female of each animal?
4. What do you call the young (baby)?
5. Where do they live?
6. What do they eat?
7. Choose your favourite animal to draw and write about – this could be a pet that lives in your house. It is up to you!

Physical Education

Dance

Let's do some of our favourite animal dances – [Shake a tail feather](#), [Tiger Feet](#), [Baby Shark](#) – Just 'Keep Dancing'

Calm Activities

Why not try some yoga exercises? They might help you feel calm and relaxed. See YouTube Cosmic Kids Yoga Link:

PE with James

Go to the NRCS website: Parent Page/PE activities

Neptune Class

Message from Class teacher

Hello Neptune Class,

This is our last week of home learning. I hope that you have enjoyed it?

We are going to end our home learning with another QUIZ. We are going to be looking at all the ANIMALS that we have been learning about - let's see what we can remember!

Remember you can complete all the tasks or pick and choose the ones you prefer.

Take care. Enjoy the summer holidays!

Love from Jo, Angela and Debbie

Interactive Video Activity

Quiz: Special People

We looked at our first Special Person in Week 1 of our home learning.

What can you remember?

Life skills

Be a Nature Detective

Go to the RSPB website and download the Spring/Summer activity sheet.

On your daily walks keep looking for signs of different wildlife. Can you help your local wildlife?

Remember to put a bowl of water out for the hedgehogs.

EHCP Link (Independent Living – Personal Hygiene): Remember to wash your hands when you come home. You need to use soap and water and wash them for 20 seconds

EHCP Maths

Measurement (Money)

1. Can you name and identify all the coins up to £2?
2. Can you name and identify any notes?
3. What colour is a 1p coin?
4. How sides does a 20p have?
5. What colour is a £5 note?

Challenge

6. How many different ways can make £1?
Can you write number sentences?
 $50p + 50p = £1$
